

For International Students:

**Renewal procedures of Comprehensive Renter's Insurance for
International Students Studying at Doshisha University**

International students currently who have Comprehensive Renter's Insurance for International students Studying at Doshisha University need to sign a contract with a real estate agent designated by Doshisha University and participate in the "ordinary accident insurance" designated by Doshisha University and apply to Doshisha University for joint guarantor and then pay guarantee charge.

For students who have the insurance, please note the following points.

-When current rental contract expires and you wish to renew the lease, **you newly need to apply to this insurance as before.**

-If you terminate a current contract and move into new apartment, you need to contract with a real estate agent designated by Doshisha University and apply to this insurance as before.

(If you contract with a real estate agent which is not designated by Doshisha University, you can not apply for this insurance.)

< List of real estate agents designated by Doshisha University >

To participate in this insurance, **you need to sign a contract with a real estate agent designated by Doshisha University.** See below list.
